

Riverbend Men's Final 2011 Golf Report

On 20th and last day of our golf season 83 men came out to enjoy another weather perfect day. The "Golden Toaster Race" was a close battle between 13 diehards with 2 golfers ending up sharing the trophy each with low nets of 30 - Robert Lornie shooting a 46 and Ammiel Chugg shooting a 36. There was also a close fight for the team trophy with "Boss Hogg Contracting" holding on for the win. (no longer bridesmaids) The low score on the night was a one under 36 shot by 6 golfers. The biggest unusual highlight of the night was having 4 golfers eagle Hole # 1 on the same day. Being gone for the whole month of September to school young gun Brodi Lockhart for T. N. T. Construction still managed to win the point leaders distinction. On Hole #6 the longest putt was made by Ed Friesen at 17' 6" and the closest to the pin was Bobby Hill at exactly 5 feet. All good things must come to an end so it's once again time to wind it all up so come out this Wednesday the 28th have something to eat and drink take home a prize or maybe even a brand new T.V.
